

T380V

T480V

THE MEDIUM-DUTY TRUCK REDEFINED

When "medium duty" just doesn't seem heavy duty enough for the job you have in mind, turn to the versatile new Kenworth T380V or T480V. Serious workhorse solutions for more demanding municipal and vocational applications, these vehicles far outpace other trucks in this category. Each is available in a straight truck or tractor. With full parent rail extensions they offer a solid and durable mounting platform for hydraulic pumps, winches, front stabilizers and snow plows.

T380V

T480V

Efficient, Convenient and Comfortable.

Tough, versatile, efficient and reliable, the new Kenworth T380V/T480V vocational hood models are the ideal solution for applications requiring full parent rails and FEPTO/REPTO, as well as 4x4 or 6x6 capability.

PACCAR TX-8

For more intuitive vehicle control and superior performance from drivers of all experience levels, spec PACCAR's TX-8 automatic 8-speed transmission. With a best-in-class power-to-weight ratio, it also upshifts your payload and profit potential.

Digital Display & SmartWheel

A new, class-leading 7-inch high-definition digital display employs cutting-edge technology to deliver critical operating information to the driver intuitively, efficiently, with minimum distraction. Spec the Kenworth SmartWheel® for finger-tip access to all your controls.
